

Vote Transfer for the General Assembly 2024 on May 18th and May 20th 2024

Members who are able to attend our General Assembly 2024 via Zoom can exercise their membership rights by themselves.

Members who **are not able to attend our General Assembly via Zoom** are allowed to transfer their vote to any other member who will be digitally present via Zoom or in person.

The **vote transfer** is also this time combined with a technical hurdle. During the voting process only one (1) vote can be counted per each connected media. How can one member exercise the own voting right as well as the vote transferred to him/her? This is only viable when this member is connected to Zoom with two electronic units (for example laptop and smartphone).

According to our statutes there can be only one (=1) vote transferred to each member. **Please inform the member to whom you would like to transfer your vote to**, in order to ensure that no vote gets lost! If this is not possible, please indicate several priorities. We will then try to mediate.

According to § 8, 6. of the Articles of Association, no vote may be transferred to members of the Board.

This is to state that I _____ (name) transfer my vote to:

Name (please enter names in the order of your priorities)	Individual member (please check if applicable)	Institutional member (please enter name of Organisation if applicable)
1.		
2.		
3.		

Date, Signature

Please fill out this form to transfer the vote and send it to:
almagro@eirene.org oder via Fax an: +492631-837990 oder via postal mail to EIRENE Internationaler Christlicher Friedensdienst e.V., Postfach 1322, 56503 Neuwied Germany
