

## Dear members and interested persons,

We, the Board of EIRENE, cordially invite you to the Annual General Meeting 2023. It will take place on Pentecost Saturday 27th May from 13.30-17.30 h and on Pentecost Monday 29th May from 10-12.00 h. You can find the planned agenda in the download section.

This year we will meet in Osterode am Harz, where the Pentecost meeting will also take place.

<https://www.jugendgaestehaus-osterode.de/>

In accordance with our constitution, we will additionally enable digital participation, namely a video conference via Zoom, in which members can participate with a PC, laptop, tablet, smartphone or also with a landline phone (but then without a picture). In the digital room, there will be translation in English if needed.

Please register for the General Assembly by 12th May if possible: Participation in presence: [Click here for the registration form.](#)

Arrival: We recommend travelling by train to Osterode Mitte, then it is a 20 min walk to the Jugendgästehaus. (See map in the download area).

For participation via Zoom: please contact Samper at [almagro@eirene.org](mailto:almagro@eirene.org) or by phone 02631 83 79 36. Participants via Zoom will receive their access data and technical instructions after registration.

You may want to see who has registered and who you can carpool with? Therefore, it is helpful if you also enter your registration in this [nuudel](#). This information is voluntary. Whoever registers here agrees that all of his or her information is visible to the public. We will delete the data immediately after the event.

At the Annual General Meeting we will answer questions about what happened in 2022. We have prepared a (German) report, which is available in the download section. An English presentation of the highlights in 2022 will follow.

We will also have elections for the board, because unfortunately two of us will resign from office at Pentecost for personal reasons. We have already been able to recruit one candidate: Tahirou Sy. We are now looking for more candidates diverse in positioning and experience as it suits EIRENE as a racism-sensitive organization. If you would like to nominate yourself or someone else, please contact Samper at [almagro@eirene.org](mailto:almagro@eirene.org). Active board members are also available for information talks. Samper will be happy to establish the contacts.

In the download area you also find the form to transfer your vote. It is also possible to transfer a vote to a digitally present member. However, each digitally or present member can only carry one additional vote. Please contact the person who should carry your vote. Then fill out the form to transfer your vote.

A warm welcome to you! We look forward to seeing you!

Your Board
