Neuwied, 20.04.2026

Dear members and interested persons,

We, the Board of EIRENE, cordially invite you to the Annual General Meeting 2026. It will take place on Pentecost Saturday, May 23, from 1.30 pm to 5.40 pm and on Pentecost Monday, May 25, from 11.00 am to 12.15 pm.

The planned agenda is attached here and can also be found in a few days in English in the download area.

Further documents will be added to the download area over the next few days. It is therefore worth taking another look before the meeting.

This year, we will be meeting at the Jugendakademie in Walberberg, where the Pentecost meeting will also take place:

In accordance with our statutes, we will also enable digital participation, namely a video conference via Zoom, in which members can participate with a PC, laptop, tablet, smartphone or even a landline phone (but then without a picture).

Please register for the General Assembly by latest May 7.

Participation in presence: Copy the following link into your browser for the registration form

At the General Assembly, we will provide an overview of the key events and issues since the last General Assembly and discuss them with you. You can find out more in advance by reading the report from the office, which we will post within a few days in the downloads section.

Last but not least: As usual, voting can also be transferred to a digitally participating member. However, each member attending digitally or in person can only carry one additional vote. It is not possible to transfer votes to members of the Executive Board. Please speak to the person who is to carry your vote. Then fill out the form to transfer your vote.

We look forward to seeing you soon in Walberberg!
